

Welcome to PreKindergarten!

Listed below are items that your child will need for Pre-Kindergarten. Some of these items will be brought on a daily basis, while others will be left here at school.

- **Backpack** – every day. Please encourage your child to be responsible for carrying his/her backpack to and from school. It will mainly be used to transport papers/notices to and from home. Your child will be given a **Green School Folder** to be used for papers and notices during the school year. Please empty the folder and return it to school each day. Your child will not need to bring his/her personal toys from home*.

- **Snack and drink** – every day. Please send in a healthy snack and drink every day for our afternoon snack time. Please remember that this is just a snack, so it is only necessary to send one or two items that your child will enjoy, and that he/she can eat independently.

- **Lunch** – will be available for purchase from the Cafeteria, or can be brought from home. Details about our Lunch program will be sent home prior to the beginning of school.

- **Sheet and Blanket** – to be brought in each Monday and taken home for laundering each Friday. Your child will need a *fitted* crib-size sheet and small blanket. There must be a sheet to go on the mat under your child. (Mats are provided by the school.) No pillows, please.

*Your child may bring one (1) "security item," such as a stuffed animal, to be used at rest time only.

PLEASE label all nap items with your child's name.

- **Extra set of clothes** – to be left at school. (Shirt, pants/shorts, underwear, socks) Please label all articles of clothing and personal belongings and place them in a bag labeled with your child's name. This clothing will be kept at school in case of accident.

-Please remember to dress your child in comfortable, weather appropriate clothing for inside and outside play every day. Sneakers are recommended. All shoes must have backs and closed-toes.

- **4 Dry-Erase Markers**
for use on our whiteboards.

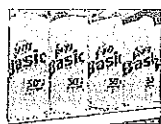

- **Earbuds/Headphones-** for listening center use.
Please place in a ziplock bag labeled with your child's name.

- **Supplies** – to be brought in during the first week of school or to orientation. To help maintain a healthy classroom environment, we are asking each family to contribute :

2 boxes of facial tissues

1 roll of household paper towels

1 container of disinfecting wipes

Thank you!

Mrs. Degnan and Mrs. Roth
